72. Turf-Tec WeedAway Weed Removal Tool
Order #: WEED1-M Price: $ 140.00

73. Turf-Tec WeedAway Replacement Spikes (Set of 3)
Order #: TTWA10-M Price (Set 3): $ 32.00

The new Turf-Tec WeedAway is a heavy duty weed removal tool designed to twist weeds out of turfgrass areas. It is made of heavy duty gauge steel and also contains an ejection rod to remove the weed from the tool after popping the weed out of the ground.

The Turf-Tec WeedAway tool uses three 1/4 inch steel spikes to twist weeds from turfgrass areas without bending over.

Now, for the first time, a really heavy duty weed removal tool designed for the rugged maintenance of everyday use. This tool not only removes the weed, but also twists off the entire root system to prevent re-growth.

75. Turf-Tec Aeri-Forke
Order #: AF1-M Price: $ 90.00

The Turf-Tec Aeri-Forke is a sturdy, handy tool for aerifying dry spots, and small compacted areas by removing two 1/2 inch cores, 5 inches deep.

Aeriforke spoons are also replaceable.

It is ideal for spot aerifying wear areas like centers of fields, goal mouths, and bench areas, around sprinkler heads and removing cores in any small area without the need for bringing out the big machine.
