

 <p>Made in USA</p>	<p>68. Turf-Tec Tubular Turf Plugger Order #: TTP1-M Price: \$ 180.00 69. Plugger Replacement Blade Order #: TTPB1-M Price: \$ 50.00</p> <p>The Tubular Turf Plugger removes grass plugs 2-3/8 inches wide by 2-1/2 inches deep. The hollow handle fills up with 12 plugs, and the plugs are simply ejected out the top by turning unit upside down.</p> <p>Cutter blade is case-hardened steel and is replaceable. This tool is ideal for filling in thin or dead areas, plugging out weeds and transplanting and establishing new grass varieties. Studies indicate plug size is ideal for quickest turfgrass establishment. This tool is heavy duty and designed to last a lifetime.</p> <p>We have been manufacturing this same quality tool since the 1960's!</p>
 <p>Made in USA</p>	<p>72. Turf-Tec WeedAway Weed Removal Tool Order #: WEED1-M Price: \$ 59.00 73. Turf-Tec WeedAway Replacement Spikes (Set of 3) Order #: TTWA10-M Price (Set 3): \$ 18.00</p> <p>The new Turf-Tec WeedAway is a heavy duty weed removal tool designed to twist weeds out of turfgrass areas. It is made of heavy duty gauge steel and also contains an ejection rod to remove the weed from the tool after popping the weed out of the ground.</p> <p>The Turf-Tec WeedAway tool uses three 1/4 inch steel spikes to twist weeds from turfgrass areas without bending over. Now, for the first time, a really heavy duty weed removal tool designed for the rugged maintenance of everyday use. This tool not only removes the weed, but also twists off the entire root system to prevent re-growth.</p>
<p>75. Turf-Tec Aeri-Forke Order #: AF1-M Price: \$ 90.00</p>	
 <p>Made in USA</p>	<p>The Turf-Tec Aeri-Forke is a sturdy, handy tool for aerifying dry spots, and small compacted areas by removing two 1/2 inch cores, 5 inches deep. Aeriforke spoons are replaceable.</p> <p>It is ideal for spot aerifying ends of cart paths, around sprinkler heads and removing cores in any small area without the need for bringing out the big machine.</p>
