

Ball Mark Repair Tool Instructions

This Ball Mark Repair Tool is the best in the industry for repairing ball marks on golf greens.

Simply insert the stainless steel spikes into the golf green, squeeze the trigger and the soil is pressed together, lifting up the depression made by the golf ball.

This is a quick and necessary tool that every mower operator should carry. Never before has there been a quicker way to eliminate ball marks and restore greens to their original condition.

The tool can be inserted deeply or shallow into the green so the tool works well on all types of grass. There is no better tool for ball mark repair available.

Operation

1. Simply insert the ball mark repair tool's stainless steel spikes into the soil on both sides of the ball mark to desired depth.
2. Deeper ball marks may require full insertion of 1 1/2" deep spikes whereas shallower ball marks may require only a slight insertion of the spikes.
3. Gently squeeze the trigger to close the jaws slightly and slowly lift the tool upward. This will lift the ball mark to green level.
4. Change position of the spikes to a different angle above the ball mark and repeat the above process.
5. After you are satisfied that the ball mark has been raised sufficiently, gently tamp the ball mark with your foot or other suitable flat object to be sure that the green is level.
6. Wash spikes after you have completed use and towel dry for a long life of unit.

Warning: Spikes are extremely sharp. Use care in handling.

LIMITED WARRANTY OF TURF-TEC INTERNATIONAL PRODUCTS

Turfgrass Products Corporation - dba - Turf-Tec International ("Seller") warrants to the final purchaser, that all Turf-Tec International tools will be free from defects in material or workmanship for a period of one year from date of purchase. SELLER'S SOLE OBLIGATION AND YOUR EXCLUSIVE REMEDY under this Limited Warranty and, to the extent permitted by law, any warranty or condition implied by law, shall be the repair or replacement of parts, without charge, which are defective in material or workmanship and which have not been misused, carelessly handled, or improperly repaired by persons other than Turf-Tec International.
