Turf-Tec Cemetery Vase Clean Out Tool

Instructions

This unique tool was inspired by a supervisor at a cemetery looking for a quick way to clean out monument marker vases. The Turf-Tec Cemetery Vase Clean Out Tool is simply inserted into a cordless drill and placed into the monument vase to be cleaned out. As the Turf-Tec Cemetery Vase Clean Out Tool rotates, water, mud, soil, trash, flower stems and any type of debris is collected in the specially designed tool. The tool is simply dumped out to clear it for the next vase.

No more bending over to clean out vases as the operator using the Turf-Tec Cemetery Vase Clean Out Tool simply stands over the grave marker and uses the tool. It is safe, clean and effective. This is a real time saver as well as one operator can quickly clean the vase of all debris without bending over. It's ideal for Cemetery Maintenance.

	
<p>Step 1 - Attach Turf-Tec Cemetery Vase Clean Out Tool to variable speed cordless drill</p>	<p>Step 2 - The vase is full of soil and weeds</p>
